LEADING THE COMMUNITY

WLC SPONSORS AWARD & MENTORSHIP OF RISING STARS

Congratulations, 2009 YWCA Rising Star recipient, **Autumn DeLellis!** This award recognizes a woman, 30 years of age or under, who exhibits early professional success and the potential to obtain marked achievement along

with demonstrating a willingness to help others, especially women and girls. Viewing this award to be directly related to WLC's mission, we are proud to provide sponsorship that supports a scholarship for award recipients to continue their education. Leading the way, WLC provided this year's sponsorship with the caveat that the scholarship be doubled to \$2,000 annually. Furthermore, Autumn is invited to participate in the meetings and activities of the Women's Leadership Council. Our Executive Committee is looking forward to providing ongoing mentorship and support to Autumn through the year, inviting her to spend individual time with our members who are leading businesses, working and volunteering in positions in which she aspires to learn.

4th Annual Women of Influence Breakfast October 22, 2009...JOIN US!

Save the date, Thursday, October 22, 2009, from 7:30 a.m. – 9:30 a.m., Four Points by Sheraton, Greensburg, PA. Over 150 women will come together to hear about how we, together, can influence others to improve conditions for women of all ages in our community. This year's Premier Sponsors include **Excelsa Health** and **Eden Hall Foundation**. Mark your calendars. If you are interested in attending, contact Cyndi Phillips at 724.834.7170 ext. 11.

FAITH IN ACTION UPDATE

Since May 2006, WLC membership donations supported the development and growth of four Faith in Action sites – responsible for engaging nearly 200 volunteers and providing supportive services to over 150 of our communities' frail elderly. Without Women's Leadership Council members, the lives of the frail, elderly recipients would be more isolated and at a higher risk of out-of-home placement. Express your support to our generous women leaders!

Interesting Fact: About 75% of Faith in Action (FIA) volunteers are our communities' active and engaged retirees, retired from work – not from living.

VOLUNTEER WITH YOUR LOCAL FAITH IN ACTION

Our area Faith in Action sites would benefit from your time and support. Get to know what it takes to support seniors first-hand. Contact your nearest FIA and find out how you can help:
